

Registration for August 2024

Places in classes are allocated on a first-come-first-served” basis with current students initially having priority registration. If necessary, waiting lists for classes will be created.

Personalised registration forms for **current students** are sent out with the invoices for the spring term, and registrations of existing students for August 2024 will only be accepted on these personalised registration forms. After receiving the registration form, please discuss your requirements for the coming year with your child’s teacher. Current students will have priority registration until Friday, 7 June 2024. After this date, all classes will be filled on the basis of when the registration form was received by the **ESP**, regardless of whether the child is a current pupil of the **ESP** or not.

New students should come to one of our Assessment Days to talk to the teachers and to ensure that we find the best class for each student. Registrations from new students are not confirmed until a non-refundable deposit has been paid. You can request registration and enrolment forms by e-mail to info@esp-bern.ch. All places are allocated in date order of initial receipt of the registration and enrolment forms.

Assessments of New Students

General Information and Conditions

All new students, once allocated a place, will be asked to pay a non-refundable Registration Fee of Fr 50.00 to secure their registration.

Children are normally accepted into Playgroup classes around the time of their 3rd birthday, with the provision that they are out of nappies/diapers during the day.

Parents must inform **ESP** of any medical or special educational needs for their child at the time of registration.

If termly fees are paid after the due date, parents will be charged a late payment fee of Fr 20.00 per reminder.

The **ESP** reserves the right to increase fees during a school year subject to the increases being approved by the **ESP** Committee.

All **ESP** students must be fully insured against accidents and third-party liability.

After an initial trial period of 2 weeks, **students may only withdraw at the end of a term.**

Notice of a student's withdrawal from the **ESP** must be given to the Business Manager in writing at least a month in advance of the start of the next term. Failure to do so will make the parent liable for an additional one month's fees in lieu of notice. Children who leave during a term are liable for all fees until the end of the term in which they have left.

A snack and a drink are provided during each class. Please do not give your children any other food. One exception is that birthday children are welcome to bring in a cake to celebrate their special day.

Please provide slippers for your children to wear in the classrooms. Painting overalls are supplied by the **ESP**.

Please leave personal toys at home.

Please ensure children arrive on time for the class. Late arrivals disrupt the class. Please ensure children are picked up promptly. Parents who habitually pick up their children late are subject to a minimum late fee of Fr 30.00 per late pick-up. Please inform your child's teacher if a child is allowed to go home alone.

Parents are liable for any damage done by their child to the **ESP's** property or possessions. The charge will be a minimum of Fr 10.00 up to the full cost of any repairs necessary.

Parents who have requested "No photographs on the website" are responsible for ensuring that their children are not included in photographs taken at **ESP** parties.

The **ESP** reserves the right to ask any student who is in an inappropriate class to either move to a more appropriate class or to leave the **ESP**. A request that the student should withdraw from the **ESP** will only occur after all attempts to resolve the problem, including discussion with the student's parents/guardians have failed to provide a satisfactory solution. If the term's fees have already been paid prior to leaving the **ESP**, then a refund will be made by the **ESP** Business Manager for all classes after the leaving date.

The **ESP** reserves the right to ask any student who continually disrupts a class to withdraw from the **ESP**. Expulsion will only occur after full discussion with the student's parents. If the term's fees have already been paid prior to expulsion, then a refund will be made by the **ESP** Business Manager for all classes after the expulsion date.

In the case of absence of longer than two continuous weeks in the same term due to illness or accident, a refund of class fees paid will be made on specific written request to the **ESP** Business Manager. Any request for a refund of fees must be accompanied by a doctor's certificate confirming the illness or accident. No refunds will be made for Membership, Registration or Supplies Fees.

In the case of absence of three continuous weeks (outside of school holidays) or more of classes missed in the same term due to a vacation, a refund of class fees paid may be made on specific written request at least one month in advance of departure to the **ESP** Business Manager. If a refund is requested, there will be no guarantee that the child's place in the **ESP** will remain after the vacation. No refunds will be made for Membership, Registration or Supplies Fees.
