Private Classes

Our private classes are taught by experienced English teachers and are adapted to meet each student's specific needs, based on their level of English as well as on whichever skill(s) the student may wish to focus on. This, for example, can include working on pronunciation, building vocabulary as well as grammar and examination preparation. Private classes are available for both adults and children.

The classes for children normally last either 45 or 60 minutes; classes for adults normally last 60, 90 or 120 minutes, but other class durations are possible.
