

Playgroup & EFL Playgroup Classes 2019-2020

Playgroup Classes

Playgroup sessions provide a happy, nurturing and relaxed atmosphere for children aged 3-6 years. Various activities such as painting, handicrafts, singing and games are offered at all levels. Time is also available for free and imaginative play.

Special care is taken to offer activities that enable each child to participate at his or her own level and ability. Children are encouraged to attend classes twice a week whenever possible to promote both language and socialization skills.

The more advanced levels begin to introduce basic reading, writing and mathematic readiness skills. There is still plenty of time for creative play, stories and craft work.

These classes are primarily for children who already speak English in their home environments.

By the end of the school-year, your child should be able to:

- Level 1 ...pay attention for short periods
 ...listen to stories
 ...sing a number of songs
- Level 2 ...concentrate for longer periods
 ...show gross motor skills
 ...display basic numeracy skills
- Level 3 ...show fine motor skills
 ...display a more advanced concept of numbers
 ...recognise and write letters of the alphabet
