

## Standard Examination Courses 2020-2021

These courses prepare pupils for the University of Cambridge's Cambridge English ESOL (English for Speakers of Other Languages) A2 KEY, B1 PRELIMINARY, B2 FIRST, C1 ADVANCED and C2 PROFICIENCY examinations. These are internationally recognised qualifications and are accepted in practically all institutions and work situations where proof of English skills is required. They are also useful for those seeking additional help with, or exemption from, English lessons at local Swiss secondary schools. All children are eligible to take these examinations regardless of the language spoken by their parents or in their home environment.

Examinations are taken at an approved testing centre, usually in Bern and the ESP will enter the candidates for the examinations as a group ESP entry. Examination fees are not included in the ESP's term fees and will be charged as an addition. Depending on a child's fluency in English the A2 KEY course will start either in August or the following January. Examinations are usually taken in June.

These supplementary courses concentrate on examination techniques and up to and including the C1 ADVANCED course are offered **only** to those pupils also attending a non-examination class at the ESP.

For the A2 KEY course, this must be at least a Level 6 Reading & Writing course.  
For the B1 PRELIMINARY course, this must be a weekly Level 7, 8 or 9 Reading & Writing course.  
For the B2 FIRST course, this must be at least a Level 8 Reading & Writing course.  
For the C1 ADVANCED course, this must be a Level 9, S2 or S3 Reading & Writing course.

ESP teaching staff will decide whether or not a child has reached a satisfactory standard to be able to benefit from these additional courses.

## EFL with A2 KEY Course 2020-2021

This course is run for older and advanced EFL pupils only. This weekly course offers additional support to non-native English speakers and concentrates on improving their English such that they will be able to take the A2 KEY examination at the end of the school year. At the end of this course they should be able to join a weekly higher level native English class alongside a standard B1 PRELIMINARY examination course.
